# Photo Inkjet Epson L800

True photo quality printing is truly affordable with the world's first Original Ink Tank System

The Epson L800 Photo Printer comes bundled with a starter kit of 6 bottles x 70ml of photo colour Epson inks, allowing up to 1,800° 4R photo prints.

\*Based on ISO/IEC FDIS29103 pattern with Epson's own methodology.

Featuring an Epson Micro Piezo<sup>™</sup> print head technology that is built for durability while delivering impressive print speeds and energy efficiency, the Epson L800 photo printer's 6-colour ink tank system now lets you enjoy stunning photo quality prints at a remarkably low cost - the dream solution for any imaging enthusiast or professional.

 Increase your printing productivity with the Epson Original Ink Tank System Ideal for high print volumes at extremely low cost.

Minimise stoppage for ink changes with our high capacity tanks.

- True photo quality with genuine Epson inks Vibrant and accurate colours with six inks including Cyan, Magenta, Yellow, Black, Light Cyan and Light Magenta.
- Fast Ink Top-up (FIT) technology reduces ink wastage The Choke Valve prevents backflow or leakage during transport. Refilling ink tanks or transporting the printer has never been easier.

For details, please refer to specifications.

With its Epson Micro Piezo<sup>™</sup> print head that is renowned for amazing performance, accuracy and efficiency, the Epson L800 Photo Printer brings the highest quality in photo printing to imaging enthusiasts and professionals at the lowest running cost.

# Increase productivity with the all-new Epson Original Ink Tank System

MICRO PIEZO™

The revolutionary Epson Original Ink Tank System is designed for high print volume usage in mind. With a yield of up to 1,800\* 4R photos, the L800 Photo Printer offers great value for money. The system is fitted with filters and tank caps to control airflow and ensure minimal ink wastage from evaporation – resulting in minimal print head clogging and a cleaner work space.

#### True photo quality with genuine Epson inks

Only Epson photo inks ensure you the most vibrant and accurate photo prints. Every 70ml bottle of Epson high capacity ink comes with a unique 13-digit code that ensures its authenticity and a cap for easy storage of any unused ink.

As every bottle of ink is made by Epson, you can be sure of consistent and accurate colours even after weeks of storage. And at just US\$10.50 per bottle, you truly save with every print you make.

For details, please refer to specifications.

Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC FDIS29103. Actual yields may vary depending on manner of usage and print pattern.

## Fast Ink Top-up (FIT) technology reduces ink wastage

Say goodbye to frequent ink changes, clogged valves or wasted ink with Epson Fast Ink Top-up (FIT) technology. The Choke Valve controls the ink flow and gives you more value for every bottle of ink you use. Simply lock the device during transportation of printer to minimise ink leakage or wastage.

### Superior print speed for better productivity

in photo printing.

With a photo print speed of up to 13 sec per 4R photo\*, you can achieve much more with less time.

With a resolution of 5760dpi and the

expanded colour gamut of 6 inks, you

can be assured of the highest quality

# Achieve photo perfection with Epson **Creativity Suite**

Create professional and impressive photos and presentations with Epson's dynamic. user-friendly photo editing and enhancement software, Epson Creativity Suite. You can now achieve photo perfection with the following functions:

#### **Red Eve Correction**

Eliminate red eye effect and create professional photos instantly with just a click of a button.

#### **Epson Portrait Enhance**

Deliver beautiful and natural photo prints by adjusting the skin tones, colour casts and exposure levels.

#### **Epson Easy Photo Print**

Achieve photo lab quality prints in just 3 steps with this easy to use software.

#### **Direct Printing onto CDs/DVDs**

With the Epson L800, you can print directly onto the printable surface of your CDs/DVDs, removing the need for additional adhesive labels, thereby saving vou monev.

# **Enjoy peace of mind with Epson Warranty**

Enjoy up to 3 months or 3,000 prints warranty coverage that ensures you get maximum value from your printer without having to worry about its maintenance.

professionals and photography enthusiasts.

**Partners in perfection Epson ink bottles** V330 Scanner Epson inks are designed specifically to work with your Unsurpassed image quality, zero warm-up time and effortless film scanning make it the perfect partner for

\* Based on 4R borderless photo draft mode

Unsurpassed print quality

Epson printer to deliver long-lasting prints.
